

The Tustin Community Foundation extends our deepest sympathy to the many people affected by the earthquakes in Haiti and Eureka, California. We have compiled a list of nonprofit organizations providing immediate relief to the victims of these disasters. Contributions are generally used to provide emergency shelter, food, clothing, medical care, medicine and other needed supplies to people whose homes have been damaged or lost to disaster.

To support the impoverished nation of Haiti please contact the charitable organizations with website links listed below:

For those interesting in helping immediately:

1. Text "HAITI" to "90999" and a donation of \$10 will be charged to your cell phone bill and given automatically to the American Red Cross to help with relief efforts.
