**Chris Uribe is TCF's 2010 Athena Nominee**

It is my pleasure to announce that **CHRIS URIBE** has been selected as this year's TCF Athena nominee. The Central Orange County Area Panhellenic organization raises the funds to award college scholarships to high school seniors by hosting the annual Athena Benefit Luncheon, which honors female volunteers who live or volunteer in Central Orange County. Last year TCF honored fantastic Board Member, Kay Kearney. The 2010 luncheon will be held on October 22, 2010 at the Grand Newport Plaza in Costa Mesa, so mark your calendars if you'd like to attend and support our wonderful, and very deserving honoree, Chris.

Since becoming involved with TCF, Chris has been active both in front of and behind the scenes. Chris does not like the limelight, preferring to just do whatever she can to help, most often without even being asked. However, when asked, I have yet for her to say no even though she spends many hours running a successful company, Alex Moving and Storage. Chris stepped up to chair both of our Silent Auctions (Inaugural Dinner and Volunteer Luncheon), worked check-in at the Thanksgiving Breakfast, held the first (and only so far) Sycamore Benefactor informational gathering at her home, underwrote the cost of last year's Grant Reception and has generously donated her chairs and tables for our use at our events at Wilcox Manor. Chris attended our Pancake Breakfast and can usually be found around our Concerts in the Park and Partner in Parks booths on Wednesday night. In addition, her daughter's Foothill High School Dance Team sold 139 of our raffle tickets so she's passing on her volunteer spirit.

**CONGRATULATIONS, CHRIS ....** TCF appreciates all you have done for us and all you will do to help us help others!
