**TCF ANNOUNCES LIVE GREEN PROGRAM**

The Tustin Community Foundation is pleased to announce their new LIVE GREEN program which aims to raise environmental awareness in the greater Tustin area and address the need for increased motivation for conservation and recycling. Sponsored by CR&R, Inc., the Foundation's goal is to encourage local non-profit organizations, businesses and residents to LIVE GREEN and follow the 3 R's of environmental protection - Reduce, Reuse, Recycle.

Tips for packing school lunches, reducing waste at home and at the office, planning zero waste events, composting and water conservation advice, hazardous waste disposal information and upcoming community activities can be found on the Foundation's website, [www.tustincommunityfoundation.org](http://www.tustincommunityfoundation.org).
